

NZJF Quality Awards

In 2015, NZJF will begin awarding Quality Medals to each registered ju-jitsu club. The primary aim of the Quality Medals is to give the public a rating of the 'quality' of clubs in terms of safety, education, ethical practice and instructor grades.

Clubs are currently able to gain NZJF club membership, utilise a three-tier coaching course, and have their black belts' grades verified. The Quality Medals provide a physical symbol that clubs can use on their website, their NZJF webpage and on club certificates to demonstrate their involvement in NZJF quality initiatives.
